## The Center for Bone and Joint Surgery visits: **2009 Annual Health and Wellness Fair**

The Center for Bone and Joint Surgery was happy help to support The City of West Palm Beach and their 400 employees during the 2009 Annual Health and Wellness Fair held Friday November 6th at the City Center and Library.

We were able to reconnect with past patients and connect with new ones! It was a pleasure to be part of the event look forward to the years to come!
